

Dacicandona — New Name for Subgenus *Daciella Stancheva*, 1981, a Homonym of Subgenus *Daciella Wenz*, 1942

*M. Stancheva*

Here I propose a new name *Dacicandona* for *Candona (Daciella)* Stancheva 1981 (Ostr.) which is a junior homonym of *Bulimus (Daciella)* Wenz 1942 (Gastropoda) in con-

cordance with the articles 57 and 60 the International Code of Zoological Nomenclature.
